Hello families, students and staff,

Welcome back everyone. We hope you all enjoyed the summer break and are excited to see what is to come for 2017.

2/3 Class
We have implemented the 2/3 classroom and welcome Melissa Lidgerwood as the temporary teacher whilst we advertise for the position to be filled on a more permanent basis. The students are adapting well to this positive change.

School Camp
The date has been set for school camp. Students will travel to Roses Gap on March 8th and return to school March 10th. Notes will be sent home regarding costing and details next week once amounts are finalized.

School Grounds
Thank you to Michael for maintaining the school grounds over the summer break, it was wonderful to come back on the first day to green grass, roses in the garden and fresh produce growing in the vegetable patch. Thank you to Michael and Michelle Fruin also for assisting Michael over the holidays. Thank you to Liz and Paul for looking after the chickens over the school break.

P&F Meeting
A P&F Meeting will be held in the school library next Wednesday 8th Feb tat 11am, to discuss upcoming subsidies and purchases for 2017. We encourage any interested family members to come along and support this volunteer group. P&F are responsible for all our school fundraising and subsidies that benefit the students.

Thank you
Richard Szmidel
